Product 018 Round Table

Assembly notes

Note 1

Be certain that all assembly is carried out on a flat and stable surface.

Note 2

Reverse steps to disassemble.

Note 3

Great care is required when assembling Atlantico products, they can mark very easily if banged or dropped.

Note 4

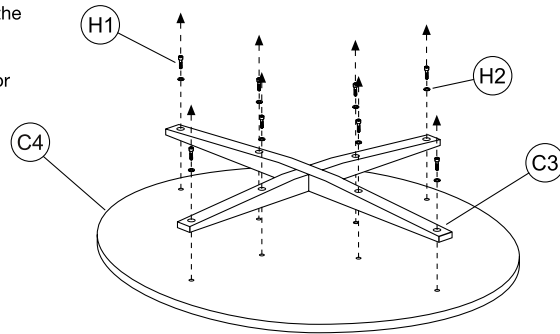

We advise that assembly and disassembly is undertaken by a minimum of 2 people.

Steps

①

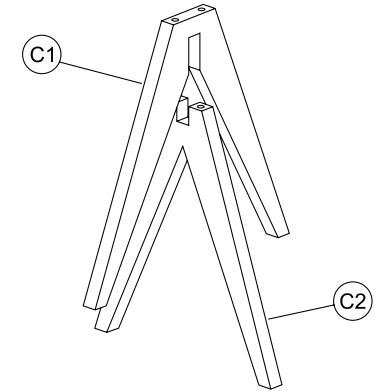

Remove the tabletop support by unscrewing all the small allen key bolts (H1) and the washers (H2).

Note: save hardware and the tabletop support for later application.

②

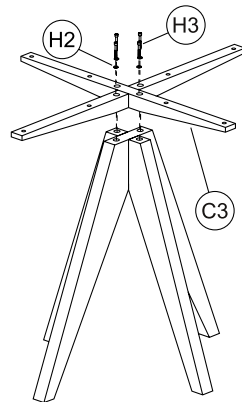

Place leg frame I on top of leg frame II.

③

Place the tabletop support on top of the leg frames.

Fix the four large allen key bolts (H3) and the washers (H2).

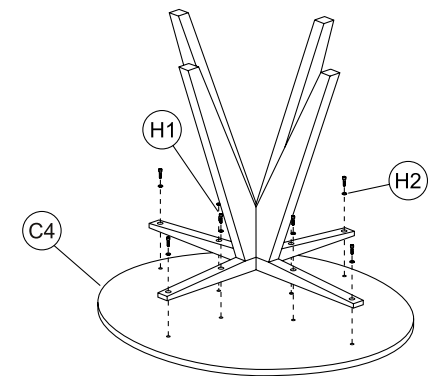

④

Place tabletop upside down on the floor on a clean and smooth surface (blanket or carpet), with the holes for the bolts upwards.

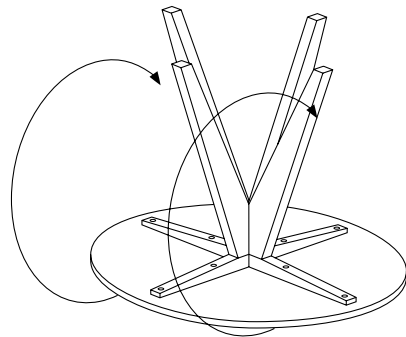

Maintaining the leg frame structure upside down, place it over the table top.

Align the holes on the leg frame structure with the existing holes on the table top and fix the allen key bolts (H1) and the washers (H2).

⑤

With the help of a buddy, carefully turn table to its upright position.

⑥

Assembly is now complete and the table is ready to use.
