w.185cm x d.90cm x h.75cm

w.72 4/5" x d.35 2/5" x h.29 1/2"

Tone Table recalls traditional Japanese parquetry interpreted in a modern form. An American black walnut frame supports a tabletop made from solid planks of white oak, black walnut, cherry and chestnut topped with glass. The design flaunts the natural colour and grain differences of these prized sustainable timbers.

### Material

Available in solid American black walnut, American white oak, American cherry, and chestnut.
